Задание №9

Read the poem and translate it.

1) My dear lady, let us date
Today and now celebrate
This warm and sunny day of March,
I love you, pretty, so much!
I love your eyes, your hair, your smile.
I'll not leave you even for a while.
I have these feelings, I do not hide
Them. Woman, you are so bright!

2) There are wonderful moments in life today,
Especially beautiful, that happen on the life road,
And among them — International Women's Day,
March 8 — an instant for women of the whole World!
I wish you happiness, sun, good and peace,
Keep staying stunningly beautiful,
Let your soul be full of love at this feast,
And the mood will become festively playful!
